WypAll® L10 EXTRA+ wipes Large roll, Type: W

Order data

Order number	089280 W
GTIN	5033848004324
Item class	08T

Description

Version:
The **WypAll® L10** surface wiping paper range was developed to provide customers with high reliability for **multi-purpose wiping and cleaning tasks**. This product is certified for contact with foodstuffs according to the standard of BAR XXXVI, which is the standard for food legislation in Europe. The WypAll® L10 Jumbo Xtra wiper roll 7240 is the ideal solution for medium-duty wiping, polishing glass, and cleaning surfaces and tools. Due to the unique **Airflex™ technology** of the base material, the powerful wipes thoroughly clean from start to finish without falling apart, and they are absorbent enough to wipe up most liquids effortlessly. Despite its short service life, the inexpensive product is characterised by **extraordinarily high tear resistance and absorbency**, which reduces material consumption and costs.

Technical description
