Description

Version:
The WypAll® X70 range has been specially developed for **light and medium-duty wiping tasks**, especially where the absorbency plays a crucial role. WypAll® wipes absorb oil and water three times faster than washed cleaning cloths. WypAll® X70 remains tear-resistant and retains its shape even when wet. As a market leader when it comes to absorbency, WypAll® wants to help you increase your productivity and efficiency, while at the same time reducing waste thanks to its WypAll® cleaning cloths, by offering **clean and reusable cleaning cloths** that you can rely on at all times. The **Hydroknit™ technology** makes WypAll® cleaning cloths **lightweight and enables them to absorb fluids fast** – for less residue and a versatile cloth suitable for a variety of cleaning tasks, so your surfaces are ready for use again quickly. Ideal for use as cleaning cloths. Supplied in a high-performance roll of wipes – when used in combination with the mobile roll dispenser, you can rest assured that you'll always have the wipes you need.
