Pipe wrench with movable jaw, for one-handed operation, Pipe ∅: 2in

Order data

Order number	810870 2
GTIN	095691103581
Item class	83R

Description

Version:
Direct and quick positioning using the spring-loaded hook jaw. Handle of sturdy malleable cast iron, red paint finish. Sharp and cleanly finished gripper jaws.
Advantage:
- **Genuine one-handed operation**
- **Smooth ratchet action**
- **Quick and secure grip**

Application:
When tightening, the jaws press tightly on the pipe, and then release automatically when the handle is lifted.
