Carbide core drill Depth of cut 35 mm, ⌀ DC: 21mm

Order data

Order number	119000 21
GTIN	4014586240084
Item class	03G

Description

Version:
High-performance carbide core drill with QuickIN holder. For maximum tool life and excellent metal removal rate.
Overall length: 77 mm for all cutter sizes.
Suitable for:
FEIN core drilling machines with QuickIN holder for fast, keyless tool changes. Also suitable for other makes with adapter. The core drill cuts only a ring of material, saving approx. 40 % – 60 % cutting time.
Supplied with:
Without centring pin.
Note:
For FEIN core drilling machines see No. 076520/ 076524/ 076526 group 0 – workshop accessories.
The centring pin No. 119019 is required when using the core drills No. 119010 and 119000.

Technical description

Nominal ⌀ D_C	21 mm
Cutting depth	35 mm
Tool material	Carbide
