Product data sheet

Article no.: 2117 Pallet truck

Frames and forks of steel construction, finished powder coated distinct Yellow. Hand hydraulic pump with servicefree bearing. Low maintenance. Strong steel handle powder coated black with counter bearing for pushing operation. Operating lever for lifting, moving, lowering. Steering lock 2 x 100°. Locating wheels at fork tips. Low rolling resistance, non-marking.

Technical Details:

Total load capacity (kg)	2500
Total length (mm)	1540
Total width (mm)	540
Lifting range (mm)	85 - 200
Fork length (mm)	1150
Fork width (m)	160
Loading width (mm)	540
Tyres	Polyurethane
Wheel size (mm)	200 x 50
Material fork rollers	Polyurethane tandem
Fork rollers diameter x width (mm)	80 x 70
Weight (kg)	76
Country of origin	Malaysia
Warranty (years)	2
Customs tariff number	84279000
GTIN	4017976021171
