

KB 18 BL with keeping warm function

- Genial cordless cooling box for active cooling or keeping warming independent from the mains - always and everywhere
- Three to chose from: Operation with 18 Volt battery packs from Metabo or CAS partners, mains cable or 12V car cable
- Powerful Brushless motor with optional EcoMode for even longer runtime in battery operation
- Optimal inside dimensions also for large PET bottles with 1.5 litres
- With insertable separating grid for order in the box
- Safe locking of the lid by swivelling the handle forwards
- Practical bottle opener at the left corner of the box
- Integrated storage for the two supplied connection cables
- Stackable on any new metaBOX
- Many brands, one battery pack system: This product can be combined with all 18V battery packs and chargers of the CAS brands: www.cordless-alliance-systems.com

Order no.	600791850
EAN code	4061792202870

Type of battery pack	Li-Power / LiHD
Battery voltage	18 V
Max. cooling output in ambient temperature	17 °C
Max. temperature fro keeping warm	60 °C
Volume	24 l
Weight with battery pack	5.9 kg

Scope of delivery

without battery pack, without charger
