

**25 Hook and loop sanding sheets 225 mm, P 100, "professional" series, multi-perforation, filler, paint, lacquer, for long-neck grinders**

- High-quality sanding paper, full-surface perforated, with high removal of material
- Particularly effective extraction thanks to the full-surface perforation and special hook and loop layer for low-dust working
- Minimized clogging of the grinding media, providing greater material removal and longer tool life.
- Especially for processing fillings in drywall construction, and for paint, varnish.
