Pliers Wrench XS

Pliers and a wrench in a single tool

- Optimum accessibility, even in confined spaces: particularly compact design, very slim head
- One-handed fine adjustment by pushing for the simplest adjustment to different workpiece sizes
- Enormous gripping capacity with a tool length of only 100 mm; parallel jaw opening grips continuously up to 21 mm width across flats
- Robust sliding joint offers high stability and resilience
- Smooth jaws for the gentle assembly of sensitive fittings and parts with delicate surface finishes: can be used directly on chrome due to the smooth full-surface contact
- Versatile areas of application: precision engineering, plumbing, an essential part of any bicycle or motorcycle toolkit, EDC (Every Day Carry), model making
- Pinch guard prevents operators' fingers being pinched
- Fine adjustment with 10 adjustment positions

technical change and errors excepted

The Pliers Wrench XS is small enough to fit in your pocket, but as useful as a complete mini-ratched set.
