PRODUCT DESCRIPTION

KL-0101-120 - Adhesive weight remover

Universally applicable for balancing work on aluminium rims as well as for other work, e.g. on inner linings, trims and much more.

For quick and easy removal of adhesive weights on aluminium rims and other lever work on the vehicle. The extremely flexible 3-sided plastic blade prevents damage to the paintwork. The sturdy handle allows the use of a hammer, e.g. for strongly stuck adhesive weights and the ergonomically shaped side of the blade allows comfortable handling with both hands.
