## PRODUCT DESCRIPTION

### KL-4991-111- Wall organizer for cordless power tools

Universally suitable for cars, commercial vehicles and vans.

Makes for a practical and organised workshop routine. The sturdy shelf offers a clearly laid out and handy storage place for up to 5 pieces of cordless drill drivers and impact drivers directly at the workplace. The top shelf with cable duct on the side is used to store the corresponding charging stations. The drawer offers additional space, for example for drill bits, bit sockets, impact sockets, spare rechargeable batteries and much more. Further accessories and a socket strip can be fitted on the perforated walls on both sides.
