

334-031 Tool brands 50 piece

DESCRIPTION

The tool tags of the series 334 are used for marking and identifying tools in crafts, industry, and workshops. The tool tags made of brass or aluminium have an embossed pearl rim and a hole for connecting to the piece to be marked. Upon request, the tags can also be labeled with your individual signs.

RANGE OF APPLICATION

For marking and labelling tools

BENEFIT

- Simple brands for versatile applications
- Labelling helps to organise tools and avoid mixing them up
- Optional also e.g. laser-markable.

OPERATION

- Mark the tool brand with letter punch set
- Attach the tool brand to the tool using a hole and key ring or similar
