

MHE 4

- Metabo's most powerful SDS-plus chipping hammer for challenging work in concrete with high material removal
- Perfect ergonomics thanks to the centre of gravity being near the hand and optimised handle contour
- Metabo VibraTech (MVT): integrated damping system to reduce vibrations in order to protect the user's health
- Easily accessible locking switch for chiselling in continuous mode
- Optional reduction of the impact energy for working in softer materials
- Restart protection: prevents unintentional start-up after power supply interruption
- Overload protection: protects the motor from overheating
- LED work light for optimum view of the chiseling site
- Wear Indication for Carbon Brush
- The adjustable front handle can be rotated 360° and the angle adjusted for an optimum working position

Order no.	600812500
EAN code	4061792264427
Max. single blow energy (EP-TA)	4.2 J
Maximum impact rate	4350 bpm
Rated input power	1050 W
Bit retainer	SDS-plus
Weight (without power cable)	5 kg / 11 lbs
Cable length	3.9 m

Scope of delivery

Front handle, metaBOX 185 XL
