

Product data sheet

271 1000 2

Wrecking Bars

- For extracting hammered metal nails and for prying open, moving or loosening objects
- Made from special tool steel, forged
- Shatterproof thanks to a special manufacturing process
- Nail lifter side and chisel side are hardened to meet the most demanding requirements
- Long-life, red powder coating for better visibility on the construction site
- Hexagonal profile – better contact surface at the bend prevents indentations in the material

General

Article Number	271 1000 2
EAN	4049002003073
Weight	2,860 g
Dimension	1,000 mm

Specifications

Profile	hexagon 20 mm
