

Tech-Line INDUCTION hand-held illuminating magnifying glass, Magnification (x-times): 10

Order data

Order number	490822 10
GTIN	4015478114995
Item class	49A

Description

Version:

Hand-held illuminating magnifying glass with **innovative induction charging** for continuous and sustained charging when in continuous use. Charging time approx. 3 hours, working time approx. 7 hours. Scratch resistant silica glass lens with very large depth of focus and distortion-free image. Sharp contrast and homogeneous light thanks to dual-stage adjustment of the light intensity. Pleasant haptics thanks to ergonomic design with soft touch gripping zone. Long-life SMD-LEDs with light colour 4500 K (neutral white). Aplanatic silica glass lens

Supplied with:

Supplied with induction charging pad, power supply unit, micro-fibre bag for storage and cleaning.
