

Eurobox of aluminium, Volume: 60l

Order data

Order number	963420 60
GTIN	4003866407026
Item class	96L

Description

Version:

Stackable lightweight metal box made of high-tensile, corrosion-resistant aluminium alloy for professional use for packing, storage and transport. Lid with stainless steel hinges, two lid holding straps and blue plastic stacking corners. Peripheral foamed seal in the lid for protection against dust and splashed water. Stiffening embossing, sprung drop-handles and catches with sockets for locks. Can be locked by seal, padlock or built-in lock (not included).
