

Respirators, set Aura Series 9300+Gen3, Filter: P3V

Order data

Order number	097109 P3V
GTIN	4054596329560
Item class	04M

Description

Version:

The **new generation** of the much-loved Aura™ 9300 + series is characterised by new filter technology with **hardly any perceptible breathing resistance**. The **three-part design** ensures a pleasant wearing sensation and good visibility. The sealing points on the upper side of the mask reduce the occurrence of condensation on glasses. Because of the **handy straps** in the nose and chin areas, the mask can be **opened hygienically** and easily positioned on the face. Due to the fold-away technology and hygienic individual packaging the mask can also be carried very easily. With **3M™ Cool Flow™ comfort exhalation valve** with improved technology so that the exhaled air can escape more easily.

Note:

This FFP3 mask filters at least 99% of all particles from the air, thus offering protection against liquid and solid aerosols. Respiratory mask with protection class FFP3.
