

Set of precision key files, 2-component handle, 6 pieces in a plastic case

Order data

Order number	518975
GTIN	4009215177176
Item class	56B

Description

Version:

Key files are manufactured on precision automated machines. They **guarantee a high removal rate and long tool-life**. The blanks are stamped and ground and given a precise cut of even density and depth using special machines. The finished files have an ideal tooth profile for each type of file. Key files guarantee smoothly filed surface finishes.

6-piece key file set with 1 each key file, flat tapered, hand, half-round, round, 3-square, square.

Length without tang 100 mm, 2nd cut.

With 2-component plastic handle.
