

**Pair of ESD gloves coated, Glove size: 6****Order data**

Order number	094223 6
GTIN	4062406130169
Item class	02H

Description**Version:**

Gloves with particularly good touch sensitivity, for **protection against electrostatic discharge (ESD)**. With good freedom of movement for the fingers, due to the flexible base material. Particularly suitable for the assembly of electronic components and circuit boards, and for cabling and wiring.

Coated for a secure grip and abrasion resistance.

Standard:

EN 388; EN ISO 21420

EN 16350

Note:

The minimum order quantity corresponds to one pack unit quantity (VPE) or a multiple thereof. Gloves which protect against electrostatic discharges do not insulate the hands against electrical voltages. Not suitable for working on live cables or for protection against electric shock - they protect only the product.
