Garant

Tool24 Smartline – upright cabinet fitted with tool sockets, for tool shanks: HSK100

Order data

Order number	979101 HSK100
GTIN	4062406134082
Item class	9SA

Description

Version:
The pull-out shelves are supported from the base and equipped with central locking (can be used for emergency release). The end faces of the hot-dip galvanised frames of the pull-out shelves have holes at intervals of 37 mm for mounting tool stands, carrying rails, storage shelf trays, and perforated tool boards. The pull-out frames are equipped with an anti-tilt device. The pull-out frames open automatically. This ensures quick access to the tools.

· **Storage of pre-set tools.**
· **Only for use in conjunction with a Tool24 Smartline Master Unit system.**
· **Available with 14 different configurations (for different tool shanks SK, VDI, C, HSK).**
· **Supplied with 24 carrier rails.**
· **Mountings suitable for tool stands, support rails, shelf trays and perforated tool panels.**
· **Distributed safe working load per pull-out frame: 600 kg.**
· **Maximum upright cabinet load: 2400 kg.**
· **Locking system for emergency release.**

Application:
Automatic industrial vending solution for storage and management of tools and C-items.

Colour:
Body RAL 7035 light grey, pull-out frames RAL 7016 anthracite **powder-coated.**

Note:

Upright cabinets place increased demands on the floor, since the pull-out frames run directly on the floor! The following pre-requirements for the installation site must be satisfied absolutely by the customer:

· **Flatness tolerance for finished floors as per DIN 18202.**
· **Angularity of a maximum of 2 millimetres over the measurement length of 1 metre.**
· **The subsurface must have a sufficient load-bearing capacity.**
· **Only place on ground that is absolutely level.**

The systems are prepared for wall or floor-mounting and must be secured against tilting. These upright cabinets can only be used in conjunction with a Tool24 Smartline Master Unit system No. 979001 S11M or No. 979001 S11M-EN, Tool24 PickOne Master Unit system No. 979201 DE or No. 979211 EN, and Tool24 Locker Master Unit system No. 979300 DE or No. 979310 EN.
