

Garant**Tool24 PickOne – extension system, Total number of compartments: 160****Order data**

Order number	979221 160
GTIN	4062406134204
Item class	9SA

Description**Version:**

Goods issuing system with innovative drum system to ensure secure individual withdrawal of every item. Very quick goods removal due to low access times, self-opening compartment and visual signal at the correct withdrawal compartment. The drum of the Tool24 PickOne is available with up to 4 different compartment sizes as standard configuration and with a load capacity of more than 1000 kg, specially designed for industrial use. Flexible attachment of a touch screen thanks to double-sided perforated panel.

The master system can be extended with additional extension systems and combined with all Tool24 hardware variants. Maximum compartment size, ideal for discharging large-volume items, such as grinding wheels, protective goggles.

Colour:

Body RAL 7035 light grey, fronts RAL 7016 anthracite grey, **powder-coated.**

Note:

The drum of the Tool24 PickOne is individually and uniquely configurable for each customer with 4 different storage sizes depending on the portfolio of items to be issued. Talk to your technical adviser.

The weights do not include a PC and monitor.
