

Insulated jacket ADVANCED, black, Unisex size: L

Order data

Order number	091795 L
GTIN	5711074600656
Item class	04I

Description

Version:

High-quality insulated jacket with **CLIMASCOT® insulation** retains warmth effectively, is lightweight and can be compressed into a small volume. **Elastic inserts** in the sides ensure a high level of freedom of movement. Thanks to its low density, the jacket works well as an insulating middle layer of clothing. **Water repellent**. With reflective effects.

- **Zip fastener with concealed weather protection flap.**
- **Breast and side pockets with zip fasteners.**
- **Inside pockets.**
- **Elasticated cord on the sleeve cuffs and jacket hem.**

Washing: 40 °C coloureds
