

Universal hole saw set, Number of pieces: 10

Order data

Order number	788042 10
GTIN	4058546228842
Item class	76G

Description

Version:

Carbide teeth for a longer working life, even when drilling into dense materials. Wide and deep flutes for easy removal of the drilled core. Aggressive tooth geometry for up to 10x quicker drill progression in comparison to bi-metal hole saws. Ideal for use in the electronics area and installation area.

Application:

For drilling larger holes and breaking throughs in various materials: masonry, lightweight materials, plastics, and wood. Unsuitable for use in hard materials such as concrete, granite, natural stone and hard tiles with a hardness greater than 30 N/mm².

Content:

Universal hole saws No. 788041: 1 pc. each size 35; 44; 51; 57; 68; 76

Centre drills No. 788051: 2 pcs. size 115

Adapter with centre drill No. 788052: 1 pc. size 115-6KT
