|--------------|----------------|
| Order number | 491835 305RING |
| GTIN         | 2050002039162  |
| Item class   | 49B            |

### Description

#### Version:

Stereo microscope for high resolution, intensely illuminated sharp focus images. Greenough design for the best image quality. **Integral vertical LED light source.** Individually adjustable to compensate for eye spacing and short-sightedness. Carrying handle for mobile use. Cold light stand, adjustable incident light: flat transillumination base (bright field / dark field), column with drive and 145 mm length of travel. Can be segmented with additional K LED spotlight with light beam adjustable for zoom and height. With additional segmentable K LED ring lamp - 48 LEDs in 2 rows.

#### Optional extras:

Eyepieces No. 491832.
