

Welder's protective dungarees Splash, anthracite / red, Clothing size DE: 66

Order data

Order number	091486 66
GTIN	2050002057739
Item class	09S

Description

Version:

High-quality protection for welders in modern two-colour design. Constant and optimum flame retardant for welding work. Pleasantly comfortable to wear whilst at the same time providing a high degree of protection. Indanthren dyed for high colour-fastness. The heavy fabric of 525 g/m² is particularly suitable for intensive welding work. Permanently flame retardant – even after washing 100 times, as specified by EN ISO 15797.

Dungarees from the Splash range of clothing.

- **Length-adjustable straps with stretch material.**
- **Width-adjustable collar.**
- **Integral knee pockets.**

Standard:

- **EN ISO 11611, Klasse 2, A1, A2**
- **EN ISO 11612, A1, A2, B1, C1, E3, F1**

Note:

This sizes listed in the shop are the DE clothing sizes. Please see the size table or the technical data for the corresponding sizes for your country.

Available in other colours on request. Size table showing equivalent international sizes can be found on our information section at the end of the catalogue.

Welder's protective dungarees in **dark anthracite / grey** with textile weight **330 g/m²** certified to **EN 11611, class 1** under **No. 091487**.
