| Item class | 91F |

Description

Version:

Pivoting drawing holder of aluminium with plastic components and two drawing display arms. The fold-away drawing display arms can be set to different heights. The magnetic clips can be slid along the aluminium rails as required.

Simple insertion in a perforated panel with just one hand, no tools required. Fixed retention without screw fastening, thereby avoiding scratches on the perforated panel.

Suitable for:

Perforated panels \square 9×9 mm in a 37 mm grid.

Supplied with:

All the associated base plates. Magnetic clips No. 974880 size 1.
