

Stereo microscope, Type: EZ4W

Order data

Order number	491750 EZ4W
GTIN	7630003581010
Item class	49B

Description

Version:

Stereo zoom microscope for high resolution, intensely illuminated and sharp focus images. Adjustment buttons lie conveniently under the hand; adjustable settings allow non-fatiguing continuous use. The eye spacing is individually adjustable
Film key pad, 3 incident-light methods available with 5 LEDs.

- **Integral 5 megapixel CMOS HD camera.**
- **Wireless data transmission via WLAN using the free Leica AirLab app (system requirements: Android from 4.1, iOS from 7.0). By means of the Leica AirLab app, the camera can be set to take images and capture measurements, add comments and send them by e-mail. In addition images can be stored in the photo folders and linked into social networks.**
- **Concurrent access to the camera by multiple users.**
- **Additional HDMI, USB 2.0 and Ethernet output.**
- **Integral SD card slot.**

Supplied with:

USB cable, HDMI cable, recording software, dust protection hood.

Technical description

Field of vision Ø	5.7 - 25 mm
Zoom	4.4:1
Working distance	100 mm
Incident light	3 methods available: Maximum brightness with 5 LEDs, oblique incident illumination with 3 LEDs, flat spotlight with 2 LEDs
Weight	6.3 kg
LED illumination system	Built-in, incident illumination and transillumination can be switched on independently or together
Angle of view	60 degrees
Magnification (x-times)	8 - 35
Optics system	10° Greenough parfocal optics
adjustable illumination	yes
Power supply	Mains operated
Type of product	Stereo microscope
