

### Solid carbide HPC drill plain shank DIN 6535 HA, TiAIN, Ø DC h7: 4,5mm

#### **Order data**

| Order number | 123110 4,5    |  |
|--------------|---------------|--|
| GTIN         | 4045197357380 |  |
| Item class   | 11E           |  |

#### **Description**

#### **Version:**

Cutting chisel edge with **high centring accuracy** due to **strong core and special point geometry.** 

Particularly high alignment accuracy due to **4 guide chamfers** which stabilise the drill even at extreme depths!

**Straight major cutting edges** with honed edges and special flute profile for **short chips**, even on long chipping materials.

#### **Advantage:**

High process reliability and surface quality of the hole.

#### Note:

Flute length  $L_c = L_2 + 1.5 \times D_c$ .

Form HB and HE supplied at the same price as HA.

Form **HB:** order with **No. 123115**.

Form **HE**: order with **No. 123110 + 129100 HE**.

## **Technical description**

| Nominal Ø D <sub>c</sub>                          | 4.5 mm       |  |
|---|--------------|--|
| Number of cutting edges Z                         | 2            |  |
| Flute length L <sub>c</sub>                       | 48 mm        |  |
| Feed f in stainless steel < 900 N/mm <sup>2</sup> | 0.08 mm/rev. |  |
| Shank tolerance                                   | h6           |  |
| Tolerance nominal Ø                               | h7           |  |
| Shank Ø D <sub>s</sub>                            | 6 mm         |  |

| Overall length L                                  | 86 mm                   |  |
|---|-------------------------|--|
| Standard  | Manufacturer's standard |  |
| recommended maximum drilling depth L <sub>2</sub> | 41.3 mm                 |  |
| Coating   | TiAIN                   |  |
| Tool material                                     | Solid carbide           |  |
| Version   | 10×D                    |  |
| Point angle                                       | 135 degrees             |  |
| Shank   | DIN 6535 HA to h6       |  |
| Through-coolant                                   | yes, with 25 bar        |  |
| Machining strategy                                | HPC                     |  |
| Semi-Standard                                     | yes                     |  |
| Colour ring                                       | blue                    |  |
| Type of product                                   | Jobber drill            |  |

## **User data**

|                               | Suitability                               | <b>V</b> <sub>c</sub> | ISO code |
|-------------------------------|---|-----------------------|----------|
| Aluminium (short chipping)    | suitable only under restricted conditions | 200 m/min             | N        |
