

Cutting head, left-hand, System / insert size: QC/16

Order data

Order number	272085 QC/16
GTIN	4251414902916
Item class	29D

Description

Version:

Interchangeable cutting head for **vibration reducing base holders**.

Application:

Vibration damping effect up a maximum overhang of $\leq 14 \times D$.

Through-coolant: yes

System: QC

suitable for insert size L: 16 mm

suitable base body: 264900 – 264908

Minimum pre-drill $\varnothing D_{\min}$: 26 mm

Centre-line offset: 15 mm

Overall length: 22 mm

Insert screw for threading insert: 269023 2

Technical description

suitable base body	264900 – 264908
System	QC
Overall length	22 mm
