

*intercable***Large crimping tool, Type: 50****Order data**

Order number	729970 50
GTIN	8014212198730
Item class	76C

Description**Version:**

Sturdy head with compound action and integral rotatable form wheels. Tubular handles with plastic grips. Cross-section assignment visible on the form wheels.

With innovative i-crimping, suitable for multi-core compacted and fine stranded cables. I-crimping allows values far in excess of normal requirements to be achieved.

Application:

For non-insulated **tubular cable lugs** and **connectors** (standard design).

Note:

Not suitable for DIN compression cable lugs or for French CNF cable lugs.

Crimping tools for DIN and French CNF cable lugs available on request.
