

**Slogging ring, secured, Width across flats: 60 mm****Order data**

Order number	619050 60
GTIN	3662424013768
Item class	63V

Description**Version:**

Drop forged, with short, strong profile shaft and reinforced striking end. The patented locking system holds the wrench to the nut. This means there is no need to hold the wrench whilst it is being struck, thereby minimising the risk of injury and ensuring maximum safety. Innovative and user-friendly operating lever. Hook-in hole for working at high places.

Material:

Tough steel, black phosphated.

Spanner length L: 280 mm

Ring Ø D: 85 mm

Ring thickness h: 38 mm
