

Erdi**Ideal snips with 2-component handle, right-hand cutting, overall length: 230mm**

Order data

Order number	767050 230
GTIN	4010220031957
Item class	73X

Description

Version:

Shears head in stainless steel (min. HRC 61). Compact shears head with partly recessed head screws. 2-component handle with non-slip insert of soft material, easy on the hand. Reduced handle opening angle for optimised handling whilst maintaining the cutting length. Central locking bar for simple operation without changing grip (for right-hand and left-hand operation).

Cutting power: Metal sheets up to 1.8 mm, stainless steel sheets up to 1.2 mm.

Advantage:

Extremely robust fabric with sintered steel inlay for easy and wear-resistant cutting. Minimal applied force thanks to small opening width of the handle and double leverage.

Technical description

overall length	230 mm
Length cutter	30 mm
Application type	right-hand cutting
Type of product	Scissors
