

Drill chuck with keyless locking mechanism Extra RV Metal version, Type: 13-9/16

Order data

Order number	342204 13-9/16
GTIN	4019208450292
Item class	39R

Description

Version:

- **Keyless drill chuck with self-tightening locking mechanism. No additional locking required (not even for impact drilling).**
- **Very ergonomic, user-friendly, hexagon flats for wrench assistance.**
- **Good concentricity.**
- **Through hole version for right-hand and left-hand operation (thread M5 or M6).**

Equipped with start inhibit.

Single-piece drill chuck; the drill chuck can be opened with one hand when the spindle of the drilling machine is stopped. Extremely short design.
