

Skin disinfectants InstantGEL® Complete, Contents: 1000Aml

Order data

Order number	095421 1000A
GTIN	5010424128780
Item class	09G

Description

Version:

Gel for hand disinfection without using water: germ reduction 99.999 %. **Application:** For areas of hygiene sensitivity and where hands frequently become dirty. **Composition:** Alcoholic gel, unscented, pigment-free, with glycerine and panthenol against dry skin. VAH-listed and HACCP-compliant.

Advantage:

- **Compatible with gloves.**
- **Requires no water.**

Application:

Ideal for use in all areas where a high standard of hand hygiene is necessary, such as in the health sector or the foodstuffs sector. Suitable also for canteens, offices, break rooms and all public buildings to prevent the spread of germs.

Attention:

Use biocidal products carefully. Before use, always read the label and product information.

Note:

Unavailable in some countries. Express delivery not possible.

Bactericide, virucide, yeasticide, mycobactericide. VAH-listed. Use hand disinfectants carefully. Before use, always read the label and product information.
