

Service tool case with base shell and tool boards

Order data

Order number	692830
GTIN	4045197806222
Item class	61G

Description

Version:

The polycarbonate case shells are produced by injection moulding. The advantages of polycarbonate lie in its high impact toughness, strength, stiffness and hardness over a wide range of temperatures. Aluminium frame with plastic impact corners, integral combination lock and case lid positioning.

Internal fitments for internal height 185 mm:

1 base tray including cover board with 12 double elastic straps. 2 transverse dividers, 6 partitions and 10 inserted boxes in the base shell. 1 tool board with 9 textile shaft pockets and tool holder on the front and back. 1 tool board with 6 textile shaft pockets and tool holder on the front and back.

Material: PC

Type of tool storage: Shaft pockets

Type of tool storage: Clip holders

Case load capacity: 35 kg

Characteristics case: suitable for air travel

Internal dimension length: 435 mm

Internal dimension width: 275 mm

Internal dimension height: 185 mm

Weight: 6.2 kg
