

Comfort safety glasses SecureFit™ 400X, Lens tinting: CLEAR

Order data

Order number	096204 CLEAR
GTIN	4054596624016
Item class	04M

Description

Version:

The **3M™ SecureFit™ 400X** single-lens safety glasses are a logical further development within the SecureFit™ family. The glasses are to an impressive modern design and exhibit many comfort features such as the **3M™ temple pressure distribution technology**, and the soft components at the ends to the frames and also the nose bridge. Thanks to the additional **eyebrow protection** the glasses lie comfortably against the brow and offer additional protection against flying particles. Secure retention even when the head is moved quickly and when working above the head. **Condensation-free viewing at all times**, thanks to the high-quality 3M™ Scotchgard™ coating.

Standard:

EN 166; EN 170

Frame properties: Adjustable nose pads

Lens coating: condensation-free

Lens coating: scratch-resistant

UV protection: Standard

Lens material: Polycarbonate

Lens identification: 2C-1.2 3M 1 FTKN
