

Ear defenders VeriShield 100 D, Type: VS120D

Order data

Order number	097766 VS120D
GTIN	7312550351918
Item class	09A

Description

Version:

The **VeriShield 100 D series** shell type ear protectors provide the employee with better protection, especially because they employ **Sound Management Technology (SMT)**, which blocks injurious noises whilst at the same time permits natural perception of speech and signals. In addition there are many **adjustment facilities** to suit every size of head and a **wider shell opening**. The long working life of the shells is ensured by the robust material and the sturdy design. The **lightweight** material contributes to better wearing comfort. The **soft** memory foam material of the ear shells is highly suitable for wearers with sensitive auditory canals or hearing aids.

SNR = 32dB (H = 35dB, M = 29dB, L = 22dB).

Note:

Hygiene sets for the VeriShield 100 D series under No. 097761.
