

Garant**Square adapter for broaching machines, Type: 35****Order data**

Order number	290386 35
GTIN	4062406258238
Item class	21U

Description**Description:**

For tools for broaching machines.

The square adaptor has two tapped holes on which the two grub screws with flattened tip M12 × 8 are attached; these are required for fixing the tool inside this adaptor. The locking pin allows the tool to be positioned perfectly in relation to the axis of the workpiece.
