

**Fabric adhesive tape Set, 3 pieces, orange, Width×length (mm× m): 50X25****Order data**

Order number	083616 50X25
GTIN	4042448180810
Item class	08M

Description**Version:**

The **tesa® 4671** has a backing fabric of rayon, **is non-reflective, is fluorescent** and is suitable for virtually **any sort of application**. It can easily be torn by **hand**, can be **removed without leaving residues**, bonds to **rough surfaces** and **can be written on**.

With the tesa® 4671 fabric tape in neon colours, you can master various tasks safely and reliably – particularly when marking various elements or in the event field!

The tesa® 4671 fabric tape is available in fluorescent neon colours and is often used by specialists for visible marking of various elements or as part of events. It is suitable for a wide variety of applications such as marking, fixing, securing or binding. tesa® 4671 can be easily torn by hand, is easy to mark, does not reflect and can be shaped. The combination of acrylate-coated fabric and adhesive made from natural rubber ensures high abrasion resistance. The fabric tape can be removed leaving no residue and is available in the following colours: neon green, neon yellow, neon orange and neon pink.

Note:

The specified “best before” date for tesa® products is in relation to compliance with the specified storage guidelines.

Technical description

temperature-resistant up to	140 °C
Liner present	no
Fabric fineness	120 mesh
Stretch capability	9 %
Tensile strength	7 N/mm
Storage humidity	50 - 70 %
Adhesive strength on steel	0.35 N/mm
Colour	orange
Adhesive	Natural rubber
Backing material	Fabric
Storage temperature	15 - 35 °C
Width	50 mm
Manufacturer's designation	4671
Type of adhesive tape	single-sided
Length	25 m
Thickness	0.28 mm
Product name attribute	orange
Type of product	Adhesive tape
