

**Floor marking tape extra strong, Colour: GREEN****Order data**

Order number	083639 GREEN
GTIN	638060143452
Item class	08M

**Description****Version:**

The 3M™ coloured marking and floor marking tapes are ideally suited for use in situations of building maintenance and for improving safety within the plant. The special structure of the coloured PVC adhesive tapes resists scratching, abrasion, weather and most chemicals. Easy to apply, very supple even on uneven surfaces.

The **3M™ 971** is a very hard-wearing adhesive tape which was developed specially for use in areas where it is exposed to the most severe stresses. Even on areas with constant fork-lift truck traffic and frequent shifting of pallets, it continues to maintain clear signage. In circumstances where frequent changes of process sequences occur it can be quickly and cleanly removed again to allow replacement.

**Note:**

The specified "best before" date for 3M™ products is in relation to compliance with the specified storage guidelines.

**Technical description**

Adhesive strength on steel	0.4 N/mm
Colour	green

## Data sheet

Thickness	0.43 mm
Tensile strength	12.31 N/mm
Working life after date of manufacture	12 mo
Backing material	Vinyl
Liner present	yes
Storage temperature	15 - 25 °C
Width	50 mm
Length	33 m
Stretch capability	247 %
Type of adhesive tape	single-sided
Storage humidity	40 - 65 %
Manufacturer's designation	971
Adhesive	Vulcanised rubber
Type of product	Floor marking tape
