

3M**PVC warning marker tape – SET, 24 pieces strong, Colour: YB****Order data**

Order number	083642 YB
GTIN	50021200045856
Item class	08M

Description**Version:**

The 3M™ coloured marking and floor marking tapes are ideally suited for use in situations of building maintenance and for improving safety within the plant. The special structure of the coloured PVC adhesive tapes resists scratching, abrasion, weather and most chemicals. Easy to apply, very supple even on uneven surfaces.

The adhesive tape is suitable for marking out hazard areas and material deposit areas, and for marking corners and edges.

The **3M™ 5702** is striped black and yellow and because it is resistant to abrasion, scuffing, moisture and weather it has a long working life.

Technical description

Thickness	0.14 mm
Manufacturer's designation	572
Colour	yellow black
Length	33 m

Adhesive strength on steel	2.1 N/mm
Storage temperature	16 - 27 °C
Storage humidity	40 - 60 %
Type of adhesive tape	single-sided
Liner present	no
Adhesive	Vulcanised rubber
Width	50 mm
Tensile strength	26 N/mm
Working life after date of manufacture	18 mo
Stretch capability	170 %
temperature-resistant up to	4 - 77 °C
Backing material	PVC film
Type of product	Adhesive tape
