

**Dräger****Basic powered air respirator set X-plore® 8000, Manufacturer's designation: 8700**

## Order data

Order number	097300 8700
GTIN	4026056087792
Item class	09J

## Description

### Version:

The Dräger X-plore® 8000 range of powered air respirators offers impressive **toughness** and **robustness**. In addition the system includes **innovative** technology for sensing temperature and pressure, which matches the air flow rate to the ambient conditions. The devices are **easy to clean**. The explosion-proof model X-plore® 8700 can be used in working environments for which **Ex-protected equipment** is a requirement.

### Function:

IP65: Protected against jets of water from all directions and protected against penetration by dust (dust-tight), also completely protected against touching.

### Standard:

EN12941 mit Dräger X-plore® 8000 Hauben und Helmen.

### Supplied with:

1 pc. blower unit EX, 1 pc. standard rechargeable battery EX, 1 pc. standard charger, 1 pc. standard belt.

### Note:

The X-plore® 8000 powered air respirator is supplied **without hood / helmet, hose and filter**.
