

Dräger**Standard hood size L/XL X-plore® 8000, Type: LONG****Order data**

Order number	097307 LONG
GTIN	4026056008766
Item class	09J

Description**Version:**

The Dräger **X-plore® 8000 standard hood** is available in a long version and short version. Both models are available in white and the sizes L/XL. The application areas of these hoods are particularly those in which further mechanical eye protection and head protection are required. The hoods offer a stable and comfortable seating. In addition they are suitable for users who are bearded and also those who wear glasses.

Standard:

EN 12941 protection class TH3 in conjunction with Dräger X-plore 8000; EN 166

Suitable for:

Powered air respirator sets 097300 8500 and 097300 8700.
