

Half-face mask Series HF-800, Size: M

Order data

Order number	097233 M
GTIN	4054596591615
Item class	04M

Description

Version:

The **comfortable, reliable 3M™ Secure Click™ HF-800 half-face mask** offers impressively good wearing comfort and innovative details which make the wearing of a respirator even safer. A button in the centre of the mask allows the **leaktight seating to be checked** and leakage identified. In addition a **speech diaphragm** facilitates communication whilst working. The filters permit simple attachment of the new type Secure Click™ System. A loud click confirms current mounting. The filter design caters for a dual airflow, permitting easier breathing.

Standard:

EN 140.

Colour code for suitable accessories: 3M™ Secure Click™

Filter connection: 3M™ Secure Click™ System

Weight: 182 g

Manufacturer's designation: HF-802SD
