

“BIG Basic Move” tool case, Type: 1

Order data

Order number	692613 1
GTIN	4003773057512
Item class	64D

Description

Version:

Hard-wearing version of ABS material in black with all-round aluminium frame and metal hinges. The case comes with a sturdy and ergonomic carrying handle. 2 stickers for individual identification are supplied for the labelling field. The tool boards consist of dirt-repellent PP twin-wall sheets.

With 2 integral metal rocker locks and 1 three-digit combination lock.

With a telescopic handle recessed into the base, and two free-running skater rollers on the outer edges for comfortable transport.

Internal equipment:

a total of 54 insertion points:

1 base tray (secured with a push stud) with 4 longitudinal dividers (2× short and 2× long).

1 tool board with 13 insertion pockets and 1 flat pocket as a cover for the base tray.

1 tool board with a total of 21 insertion pockets on the front and back face.

1 tool board with 10 insertion pockets and 1 elastic strap on the front face and 1 securing pocket with 7 elastic straps on the back face.
