

Pair of gloves Cut F / A9, Glove size: 6

Order data

Order number	094618 6
GTIN	4062406273217
Item class	02H

Description

Version:

With their reinforced palm, HOLEX cut-resistant gloves offer additional **protection against puncturing** (Needle Puncture Resistant Level 3). Because they provide the highest **cut protection level F** (equivalent to ANSI A9), these gloves can be used for heavy work with extremely high cut hazards. The **HDPE** backing material and the **nitrile micro-foam coating** ensure flexible behaviour and a pleasant feel when wearing.

Standard:

EN 388

Note:

The minimum order quantity corresponds to one pack unit quantity (VPE) or a multiple thereof.
