

**Pliers wrench Joker 6004, self-adjusting, Type: XXL****Order data**

Order number	813740 XXL
GTIN	4013288214713
Item class	63F

Description**Version:**

- **Parallel guided, smooth jaws.**
- **New stepless self-adjustment by easy seating on hex-head bolts and hexagon nuts.**
- **Quick and secure screw fastening without removing the socket insert, due to the mechanical ratchet function.**
- **Lever mechanism when gripping avoids slippage and damage.**
- **Particularly small backswing angle of only 30° due to the Vee profiles in the head across the corners.**

Material:

Chrome molybdenum steel, matt chrome-plated.
