

Honeywell**Pair of gloves CoreShield™ 23-7518B, Glove size: 9****Order data**

Order number	094521 9
GTIN	13603835666867
Item class	09A

Description**Version:**

Honeywell CoreShield™ series. The innovative light-weight cut-resistant gloves series offers **very good touch sensitivity** and pleasant freedom of movement for the fingers. In addition the series scores well for long shelf life and high sturdiness. The resilient and **breathable micro-foam coating** ensures excellent non-slip characteristics for the gloves on both oily and dry surfaces.

CoreShield™ 23-7518B. Cut-resistant gloves with cut protection level C and **18-gauge knitted technology** for precision work with high cut hazards. High wearing comfort, thanks to the **HPPE-basalt fibre** backing material.

Standard:

EN 388; EN 420

Note:

The minimum order quantity corresponds to one pack unit quantity (VPE) or a multiple thereof. The **CoreShield™ series** is available in various knitted thicknesses (10 to **18 gauge**) and coatings (nitrile micro-foam, super thin nitrile).
Colour: black

Technical description

Manufacturer's designation	CoreShield 23-7518B
Contents	10
