

**Honeywell****Pair of gloves CoreShield™ 26-0513B, Glove size: 10****Order data**

Order number	094524 10
GTIN	
Item class	09A

**Description****Version:**

**Honeywell CoreShield™ series.** The innovative light-weight cut-resistant gloves series offers **very good touch sensitivity** and pleasant freedom of movement for the fingers. In addition the series scores well for long shelf life and high sturdiness. The resilient and **breathable micro-foam coating** ensures excellent non-slip characteristics for the gloves on both oily and dry surfaces.

**CoreShield™ 26-0513B.** Cut-resistant gloves with cut protection level F for activities with extremely high cut hazards. High wearing comfort, thanks to the **HPPE-basalt fibre-metal fibre** backing material.

**Standard:**

EN 388; EN 420

**Note:**

The minimum order quantity corresponds to one pack unit quantity (VPE) or a multiple thereof. The **CoreShield™ series** is available in various knitted thicknesses (10 to **18 gauge**) and coatings (nitrile micro-foam, super thin nitrile).

**Technical description**
