Order data

Order number	091400 52S
GTIN	5711074708154
Item class	04I

Description

Version:

The **ergonomic cut** of the trousers in the ACCELERATE range corresponds to the natural pattern of movements of the body. In addition the low waist permits the wear to perform all their movements. The close-fitting waist means the trousers are best suited for all working positions. The trouser pockets are integrated into the design the **seams are double stitched**.

- **Zip fastener fly.**
- **Front pockets.**
- **Back pockets.**
- **Thigh pocket incl. mobile phone pocket, flap, press stud and removable ID card holder.**
- **Ruler pocket.**

The **ultimate stretch** material means the fabric is particularly elastic and neither stresses nor restricts the wearer. The four-way stretch fabric combines **low weight** with **very good hard-wearing properties**. In addition the functional material repels water and has a **reflective effect** which renders it highly visible.

Note:

Available in other colours on request. Size table showing equivalent international sizes can be found on our information section at the end of the catalogue.

Size 46L-56L for slim sizes, **size 46S-56S** for stocky sizes.

Ladies' variant of the **stretch work trousers** in blue-black under No. 091404.
