

## Non-slip floor marking tape 1.2 mm thick, Type: WHITE

### Order data

Order number	964950 WHITE
GTIN	4005546999869
Item class	97M

### Description

#### Version:

Self-adhesive extra thick floor marking tape for indoor use. **Slip prevention R10** to ASR 1.5/1.2 floors. Abrasion-resistant and hard-wearing thanks to the high-quality extruded material.

**Thickness 1.2 mm.** Strong adhesive bond thanks to the bevelled edges. These prevent damage to the floor marking tape when moved over. Suitable for areas where there is fork-lift truck traffic (without any turning, steering or braking movement).

#### Standard:

DIN EN ISO 7010, ASR 1.3, ASR 1.5/1,2, DIN 51130.

### Technical description
